Dear Supporter

Wow, you really are incredible!

By choosing to support your local esCarpadian, you've shown how much you share our belief in the unrelenting power of optimism.

It's only because of positive and caring people like you that we can reach even more children living with cancer and their families. By donating, you've helped them feel brave and strong and able to face whatever life throws at them. Thank you so much!

Your gift will immediately go to work helping us to deliver our unique programs to help children and families deal with the physical, emotional and financial stress of the cancer journey.

Thanks to you, we can provide much needed education and performance programs for schools, Camps and Fun Days for children and their siblings and hospital support such as Play Therapy to help build children's resilience as they move through their treatment.

To follow your favourite esCarpade car on their journey from town to town, log on to our website campquality.org.au/escarpade and find them on our "Entrants" page or register for our blog: <http://escarpade.blogspot.com>

Thank you for helping us to create a better life for every child living with cancer in Australia.

Best regards

Simon Rountree
Chief Executive Officer

P.S. Don't forget your receipt which is printed on the back of this letter. Thank you!
